After a Decade

Celebrating clients that have been at Cummings Center for more than 10 years

[Quarto Publishing Group](#) relocated to Cummings Center from Gloucester in May 2007, having outgrown its 6,400-square-foot-space. "We needed about 10,000 square feet, and Cummings Center's size, location, and attractive rates made it the right fit," said COO Ken Fund.

Over the last 10 years, Quarto, the 25th largest book publisher in America, has

doubled its worldwide presence. Its convenient Cummings Center's location has made it more attractive to commuting employees. Before the move, 95 percent of the employees were local to the North Shore.

The accessibility and amenities at Cummings Center have really made a difference. Quarto and its employees take advantage of the variety of businesses here. "Our favorite memory at Cummings Center was a team building exercise at Escape This Live! Everyone had a lot of fun," Ken said.

Recently, Quarto was in the market for larger space and wanted something that would really catch people's eye. The new office is located at 100 Cummings Center, Suite 265-E and features floor-to-ceiling glass entry and offices, a coffee bar, relaxation rooms, a full kitchen, collaboration areas, and an outdoor courtyard for employees to enjoy.

"We are so pleased to have the opportunity to watch Quarto grow here at Cummings Center. We wish Ken and the entire Quarto team continued success and growth, and look forward to continuing our business relationship together," said Cummings Properties account manager Justin D'Aveta.
