A Warm Welcome from The American BBQ

We're proud and delighted to serve
you our "Genuine Wood-Smoked BBQ",
prepared in the true Southern tradition,
along with hospitality that 'll make you
feel this is your "home away from home".

About Our BBQ

First, we dry rub our
premium meats with
our own mix of spices
and seasonings, then
slow cook them (for 5-16 hours!) in our wood
smokers right on the premises.

The meat stays moist, "fall off the bone
tender" and full of natural smokey flavor.
Notice the reddish color near the bone,
telling you it's really slow-smoked.

So, pull up a chair, roll up your sleeves and
get ready for the best southern bbq in the
north! And make no mistake about it, you'll
come as a stranger
but leave as family.
