Cummings Properties offers resident firms this advertising opportunity by making display panels available throughout many Cummings common areas. These panels may feature an ad, artwork, or other marketing material describing your company's services. Panels are then rotated periodically among several Cummings buildings, ensuring your panels receive a fresh audience.

Please contact **your leasing/property manager** in the Cummings Center leasing office for more information on reserving space for up to eight units at no charge. For help with producing an attractive, professional display, contact one of the firms listed below (*be sure to specify Cummings size panels*).

* Please note display panels must receive approval from Cummings Center's leasing office before fabrication.
