Goings On

North Shore Transportation Management Association (NSTMA), 100 Cummings Center, Suite 342-G, is conducting a survey to learn more about commuter schedules as local businesses return to the workplace. Your input will help NSTMA advocate for the policies and amenities you want and plan for future commuting patterns and needs. Complete the five-minute [online survey](#) by **March 31** to be entered in a raffle drawing for a \$100 gift card.

Upcoming Event

North Shore Technology Council, 100 Cummings Center, Suite 223-F, will host “A Radical Solution to Plastic Pollution” on **Wednesday, March 10, from noon to 1:00 PM**. During this free sustainability forum, Radical Plastics CEO and cofounder Kristin Taylor will discuss the prevalence of plastics in our society and the impact it has on our environment. Please register for this event [online](#).

Noteworthy News

Magical Beginnings, 100 Cummings Center, Suite 110-J, is now offering summer camp options at its Essex, Wakefield, and Middleton locations. The camps will offer exciting weekly themes, field trip adventures, and tasty treats for campers. To sign up or learn more, please reach out to the camp of your choice directly. Emailed Invoices: Cummings Properties has transitioned to sending invoices via email. Invoices are emailed to each client firm from our corporate accounting department (accounting@cummings.com) in Woburn. If you are not receiving invoices, it is possible that this email address was not recognized by your system. (Please check your junk mail or spam folder and add our address to your list of recognized contacts.) Alternatively, we may not have the appropriate contact information on file. Please contact your account manager at 978-922-9000 with any questions.

Shoe Snippets

Fun facts about the historic Cummings Center site, formerly known as “The Shoe”

The founding of United Shoe Machinery Company in 1899 marked the beginning of automation and standardization in the shoe industry. In its first decade of operations, USMC became one of the first three international companies in the country and one of only 10 companies with experimental research facilities.

Simple Smiles

Simple Smiles was created to help everyone start the week off learning, imagining, and smiling. We invite all North Shore News readers to submit photos of something or some place they find interesting, informative, or exciting. Please refrain from sharing photos that feature people.
