Office / R&D Space

Andover - 2,500 to 35,000 SF

Now operated by Cummings Properties

Cummings Properties has expanded to Andover with its acquisition of **40 Shattuck Road**, just off River Road at I-93 and I-495, in a thriving corporate neighborhood. This first-class 120,000 SF office/R&D building offers modern light-filled suites in a quiet, picturesque setting.

Friendly Reminders

Updating client emails: To ensure the appropriate personnel are receiving important communications about building maintenance, power outages, etc., client firms are encouraged to periodically share updated contact information with Cummings Properties. Please take a moment to email [Lisa VanStry](mailto:lisa.vanstry@cummingsproperties.com) with the names and email addresses of all employees at your firm who would like to receive building notices as well as this monthly newsletter.

Power play: With the summer heat and the rising cost of electricity, National Grid reminds its customers to conserve energy. In addition to shutting off unused office equipment, it is important to monitor air conditioning. If feasible, thermostats should be turned off in each area after 7 PM on weekdays, and all day Saturday and Sunday. Thank you for doing your part to conserve energy resources.

Mulch is flammable: Cummings Properties experiences dozens of mulch fires every summer, primarily due to improperly discarded cigarettes. Although these fires have been successfully contained so far, they could quickly spread to buildings and vehicles, causing needless damage. Please ***never*** toss cigarette butts into landscaped areas, as bark mulch is flammable.

Upcoming Holiday: Cummings Properties' offices will be closed **Monday, September 4**, in honor of **Labor Day**.

If you no longer wish to receive our emails you may [unsubscribe](#). Unfortunately, if you unsubscribe, you will not receive important building notices such as water and electric shutdowns, or fire alarm testing.
