## Noteworthy News

**Cummings Center Walking Tour** More than two dozen people stepped back in time during a January 16 walking tour of Cummings Center that included a discussion of the history of United Shoe Machinery Company (USMC). The one-hour tour was developed and led by Abby Battis, associate director for collections at Historic Beverly and adjunct faculty member at Harvard University Extension School, which includes 15 stops on the first floor of the 100 building. A newly developed second tour, scheduled for **Wednesday, February 6 at 6:00 PM**, will cover the remainder of the first floor of the 100 building as well as a portion of 900 Cummings Center. Historic Beverly's tours of Cummings Center are free for members and \$10 for the public. To learn more about Historic Beverly and the upcoming walking tour, visit the [website](#).

## Friendly Reminder

**Talking Trash!** All Cummings Center resident firms and their cleaning contractors are reminded to please observe some simple guidelines for trash removal. Please remember that the trash

and cardboard compactors are for normal office waste only. When trash is disposed of in one of the compactors, the compactor ram *must* be operated *through a complete cycle* to prevent overflows and jams. Inappropriate and oversized items, such as furniture, are not to be disposed of in the compactors or left on any loading dock. Open-top containers at the 141 loading dock are for Cummings Properties' construction use *only*.

Client firms are welcome to contact [Junk King](#) at 978-212-3973 for removal of oversized items.
