Noteworthy News

Upcoming Holiday: Cummings Properties' offices will be closed in recognition of Thanksgiving, with no staff on site Thursday, November 23 and very limited staff on site Friday, November 24.

Upcoming Event

In recognition of Veterans Day, [Oxford Global Resources](#) is collecting donations for [Operation Gratitude](#) until Thursday, November 30. Operation Gratitude annually sends more than 200,000 care packages to deployed troops, new recruits, veterans, first responders, wounded heroes, and their caregivers. All donated items must have a shelf life of *at least six months* from the date of donation. For a list for requested items, visit the [website](#). Donations can be brought to 100 Cummings Center, Suites 206-L and 365-G. For more information, contact Kendra at 978-538-1840.

Friendly Reminder

Service Calls: The most expeditious way to report a facilities issue is to call Cummings Center's maintenance department directly at 978-720-4028. The department is open weekdays, 7:00 AM - 4:00 PM, and a member of the maintenance team will be happy to help you.

Another option is to report your service call using this [online client maintenance form](#). Simply complete the brief request form, and a technician will be dispatched to attend to your issue, typically before the end of the next business day.

Blog Bites

Cummings Properties leasing manager Ed Silvey (left) and Shellback Industries president John Morley

[Shellback Industries](#) - a construction and project management company - has leased an office in Woburn's West Cummings Park with Cummings Properties. Shellback Industries is certified as a Service-Disabled Veteran-Owned Small Business (SDVOSB). In these businesses, the management and daily operations are controlled by one or more service-disabled veterans. For more information, visit the [blog](#).

Business Spotlight

Client firm [KEOPIX](#), located at 100 Cummings Center, Suite 327-C, could be just what you need for your upcoming holiday party. Keopix is a modernized photo booth company that specializes in creating unique and fun branding experiences using the most up-to-date technology. Available services include animated GIF booths, green screen, boomerang booths, and more. A photo booth can be an exciting and interactive addition to any event. For more information, visit the [website](#).

Shoe Snippets

Fun facts about the historic Cummings Center site, formerly known as "The Shoe"

Did you know that a part on the Apollo Lunar Rover was invented at The Shoe? The "harmonic drive" is a special type of mechanical gear system invented in 1957 by C.W. Musser while he was a research advisor at USMC. These gear systems are commonly used in industrial motion control, machine tools, printing machines, robotics, and aerospace.
