## Friendly Reminders

**Important Parking Reminder:** Most parking spaces immediately adjacent to Cummings Center buildings are designated for short-term use only. These short-term spaces are expected to turn over frequently and thereby provide convenient building access to visitors and patrons of our 600+ on-site businesses. Short-term spaces are identified by signage and are monitored throughout the day. **Reminder/violation stickers will be placed on vehicles parked for extended periods, and repeat violators will be towed at the expense of the vehicle owner.**

Employees of on-site businesses, and others whose vehicles are expected to be on site for significant periods, are encouraged to park in one of Cummings Center's four large garages or in open lots away from the buildings, where there is ample parking available throughout the business day. Should you need assistance identifying convenient all-day spaces, or have any questions about parking at Cummings Center, please contact the Leasing Office at 978-922-9000. Thank you for your cooperation as we work to ensure beneficial and sustained commerce at our thriving business center.
