Friendly Reminder

Take It Slow: Please remember that proper driving etiquette on our busy campus is *critical* to the safety of pedestrians and other drivers. In addition, Cummings Center includes a number of daycare providers. Motor vehicle operators should heed all traffic signs, including pedestrian crossings and one-way signs. Please observe the **10-mph speed limit** at all times, including in on-site garages and parking decks. One-way entrance and exit driveways must be used only as designated. No matter how rushed, be on the lookout for adults and children—as well as vehicles backing out of parking spaces—and remember to *always* drive with caution. Please advise

employees and visitors of these guidelines to help keep Cummings Center and Dunham Ridge safe for everyone.
