Friendly Reminder

No Friction, Please! Be careful not to damage carpeting when moving furniture and materials within facilities or along common hallways. Items should never be dragged on carpeting, as doing so will frequently create permanent friction burns that are unsightly and require costly carpet replacement. Thank you for your cooperation.

Fun facts about the historic Cummings Center site, formerly known as "The Shoe"

The founding of United Shoe Machinery Company in 1899 marked the beginning of automation and standardization in the shoe industry. In its first decade of operations, USMC became one of the first three international companies in the country and one of only 10 companies with experimental research facilities.
