We appreciate our clients' concerns about the risk of COVID-19. Our team is readily available to answer your questions, and we will continue to send notices as appropriate. For the time being, we have implemented increased cleaning protocols and are closely monitoring the guidance of Centers for Disease Control and Massachusetts Department of Public Health. Please direct specific inquiries to your account manager at 978-922-9000.

## Health Advisory

The Massachusetts Department of Public Health offers several precautions people can take to help prevent the spread of respiratory diseases like the flu and COVID-19:

- Wash your hands often with soap and water, or use an alcohol-based gel.
- Avoid touching your eyes, nose, and mouth.
- Clean things that are frequently touched (like doorknobs and countertops) with household cleaning spray or wipes.
- Cover your mouth when you cough or sneeze. Use a tissue or your inner elbow, not your hands.
- Stay home if you are sick and avoid contact with others.
- Get a flu shot, not because it will prevent the spread of COVID-19, but so that you stay healthy and out of the hospital.
