### Noteworthy News

Cummings Properties was delighted to allow members of FEMA Urban Search and Rescue to use the parking garage at Dunham Ridge to practice their rappelling. In the past, we have also been pleased to work with Beverly Fire Department, providing access for its annual ice rescue drills on Upper Shoe Pond.

To be included in a future edition, please email [newsbrief@cummings.com](mailto:newsbrief@cummings.com).

### Upcoming Event

Join [Beverly Main Streets](#) for the annual [North Shore Bacon and Brew Fest](#), Saturday, August 11 from 3:30 to 6:30 PM at [Raymond J. Bourque Arena](#) at Endicott College. Enjoy unlimited sampling from 20 craft beer and cider vendors, plus loads of bacon-centric treats from local restaurants. The event also features local merchants and music. Tickets are available [online](#) and include options for VIP, general admission, and designated driver.

## Friendly Faces

Cummings Center - and, in particular, Beverly grounds crew team leader **Joe Desiderio** (left) and grounds crew member **Jim Thornton** (right) - were recognized by The Friendly Garden Club of Beverly for the "Best Business Water Feature" and "Best Terraced Gardens." Thank you to Joe and Jim for the important roles they play in maintaining a beautiful campus.

## Friendly Reminder

**Building and Campus Access:** Cummings Center has a long-standing practice of placing reasonable limits on access to common entrances of buildings during "off hours." While all resident firms have key access to the buildings and their own premises 24 hours per day, 7 days per week, building common entrances are typically unlocked as follows:

- Monday through Saturday: from approximately 6 AM to 9 PM
- Sundays: select entrances from approximately 7 AM to 5 PM

Each evening, the secondary entrances to Cummings Center (i.e., the gates at Balch and McKay streets) are closed, and access to the entire facility is directed through the Route 62/Elliott Street entrance. Secondary entrances, with the exception of the west entrance/exit on Balch Street, also remain closed all day on Sundays.

Client firms may provide keys to building entrances and/or their premises to employees at their discretion. Resident firm [Secure Lock and Alarm](#)'s Bridge Street location is a convenient source for additional keys.

[Centerline Partners](#), 100 Cummings Center, Suite 225-C, has been a member of the Cummings Center community since 2008. The company works with the largest life sciences organization in the world to help resolve the disconnect between business needs and IT processes. It uses a process called Rapid Requirements Management, which captures, defines, manages, and tracks business and functional needs. For more information, visit the [website](#).

If you no longer wish to receive our emails you may [unsubscribe](#). Unfortunately, if you unsubscribe, you **will not** receive important building notices such as water and electric shutdowns, or fire alarm testing.
