When not putting the finishing touches on renovated suites, painter Carlos Soto is quick to help visitors find their

destination.

Friendly Reminders

Upcoming Holiday: In honor of **Independence Day**, Cummings Properties' offices will be closed on **Wednesday, July 4**. Happy Fourth of July!

Pass the Mustard, Hold the Ketchup: Now that it is barbecue season, on-site firms are reminded that Cummings Center offers a pleasant, no-cost venue for pond-side company picnics. **Sheehy Park**, a landscaped grassy area at the south end of Lower Shoe Pond, features a pair of oversized charcoal grills, along with several picnic tables and benches, all *free* of charge. For more information, or to schedule the park for a picnic, please contact the leasing office at **978-922-9000**.

Business Spotlight

Professional Physical Therapy, 900 Cummings Center Suite 130-S, has been a member of the Cummings Center community since 2008. It provides orthopedic and sports physical therapy as well as rehabilitation services. Professional believes in treating *patients*, not just their injuries. The firm's licensed physical therapists customize individual recovery plans, using state-of-the-art technology and practices.

Formerly known as ProEx Physical Therapy, the company will continue to operate with the same caring staff, same high quality care, and same leadership team. Clinical director Keith Cooper, PT, DPT and the Beverly team have worked with local communities over the past several years, and their commitment to providing an exceptional patient experience remains their highest priority. For more information, or to schedule a physical therapy appointment at the Beverly location, visit Suite 130-S or call **978-524-7827**.

Noteworthy News

BHI's Haitian work team collaborating together on a project at the St. Boniface Haiti Foundation

After four years as CEO of [Build Health International](#), Jim Ansara has transitioned into the role of executive chairman. Dr. David Walton, MPH, MD, co-founder of BHI, was appointed the next CEO. Dr. Walton will focus on high-level strategy while Jim concentrates fully on the daily excitement and pressing needs of the construction projects in Haiti, West Africa. Dr. Walton and Robert Freni, BHI's Director of Architecture, just delivered a presentation at the [Autodesk conference](#) in London, speaking about the impact of BHI's work in resource-constrained settings. Congratulations to David and Jim! We wish BHI much continued success.
