Using a grant from the Massachusetts Downtown Initiative, the city of Beverly has commissioned a study by an independent economic development research firm to explore the potential for a hotel in its downtown. The City is asking businesses in Beverly and the surrounding communities to participate in a brief survey about their use of function facilities and the business travel/overnight visitors generated by their company. **To complete the survey, click [here](#).** If you have questions about the study, please contact Emily Hutchings, Associate Planner for the city of Beverly, at ehutchings@beverlyma.gov.
