## Upcoming Events

**Electronics Recycling:** [Green Network Exchange](#) will host an [electronics recycling event](#), Wednesday, September 27, from 10 AM to noon, at 100 Cummings Center's 144 loading dock. To ensure safety, please deliver items for recycling directly to personnel managing the event; do not leave them on the loading dock. Click [here](#) for a complete list of recyclable items. For additional information, contact David Williams at **781-330-0085**.

**Cancer Fundraiser:** Members of client firm [MassPay](#), 500 Cummings Center, Suite 4900, created a nonprofit called [Fed Up With Cancer](#), which raises money for cancer research and prevention. Fed Up with Cancer will be hosting its 7<sup>th</sup> annual fundraiser on Thursday, October 5 from 5:30 to 9:00 PM. This year's luau-themed event will feature food from local restaurants, as well as live and silent auctions. For more information, or to buy tickets, visit the [website](#).

[MicroData](#), 100 Cummings Center, Suite 146-N is hosting a free cyber security webinar on Wednesday, October 4 at 2 PM. The webinar will provide attendees with information on how to help protect a business from cyber attacks, bank fraud, and compliance fines. Twenty attendees will be selected to receive a free company-wide "Dark Web" scan. For more information, or to register, visit the [website](#).

## Friendly Reminder

**No Friction, Please!** Be careful not to damage carpeting when moving furniture and materials within facilities or along common hallways. Items should never be *dragged* on carpeting, as doing so will frequently create permanent friction burns that are unsightly and require costly carpet replacement. Thank you for your cooperation.

## After a Decade

*Celebrating clients that have been at Cummings Center for more than 10 years*

*Cummings Properties account manager Jessica Palm (left) and Dr. Lisa Campanella*

When Dr. Lisa Campanella of [North Shore Pediatric Dental](#) started looking for space, her (now) husband was living in Beverly and suggested Cummings Center as an option. "I liked the idea of being around a variety of other businesses and a strong sense of community," she said. "Families tend to be very busy. Our location and accessibility have allowed our clients to multitask. They have access to so many amenities before, during, and after appointments."

Dr. Lisa -- as she is known by her patients -- has been a pediatric dentist for almost 20 years. After working for another practice for seven years, she was ready for a change and started the search for space. "I remember I was

the only person at this end of the hallway. I had no one to my left or right, and over the years watched the hallway fill around me," she said.

Over the last 12 years, Dr. Lisa's practice, located at 900 Cummings Center, Suite 116-R, has experienced significant growth of its own. She now has seven full-time and five part-time employees. She credits this, in part, to being able to focus on the business instead of the building.

"The responsive operations and building maintenance staff and the snow team make it so we do not need to worry about the little things," said Dr. Lisa. "Everyone we have worked with has been great!"

"We are so pleased see North Shore Pediatric Dental flourish within our medical community at Cummings Center. We look forward to continuing our relationship with Dr. Lisa and the entire team for many years to come," said Cummings Properties account manager Jessica Palm.
