On a recent beautiful day, the staff and students of [My Montessori](#) took advantage of this scenic setting for a picnic. *Pictured: Head of School Puja Jain with two My Montessori students.*

Friendly Reminders

Bicycle Parking: For those who pedal their way to TradeCenter 128, we are pleased to provide bike racks, located near Al's TradeCenter Café and at the lower level of the parking garage, near C-1.

End-of-the-day routine: Please make sure all windows and doors are completely closed and latched to prevent unauthorized access, pest infestation, and the damaging effects of wind and rain on your firm's space. Before you go, also check for running toilets, and request a maintenance [service call](#) for any toilet that does not properly shut off after each use.

Pick your spot wisely: In consideration of fellow clients and campus visitors, please be extra attentive when parking vehicles, as using more than one space prevents others from properly parking and can also disrupt traffic patterns. Thank you for your cooperation.

If you no longer wish to receive our emails you may [unsubscribe](#). Unfortunately, if you unsubscribe, you **will not** receive important building notices such as water and electric shutdowns, or fire alarm testing.
