Cummings Buildings Power Charities

Recognizing the importance and rarity of long-term financial support for nonprofits, Cummings Foundation will award a total of \$10 million in [Sustaining Grants](#) next June to approximately 30 former recipients of **\$100K for 100** grants. Leading this initiative is a 28-member volunteer Site Visits Committee, which includes representatives from client firms, former state legislators, CEOs of companies and organizations, a retired justice of the Massachusetts Supreme Judicial Court, and a *Boston Globe* reporter. Learn more on [Cummings Properties' blog](#).

Supporting the important work of these deserving organizations simply couldn't happen without our leasing clients. We at Cummings - and the thousands of people whose lives have been improved through these grants - thank you.
