

A picture is worth a 1,000 words...

Can it be worth a few customers?

You supply...

30"x 42" printed artwork mounted on black 3/16" Gatorboard (or equivalent), or printed directly on 3/16" rigid board, with a water-resistant matte or gloss finish.

We supply...

Oak display panel enclosures and installation, etc. at no charge.

Cummings Properties offers resident firms this advertising opportunity by making display panels available throughout many Cummings Center common areas. These panels may feature an ad, artwork, or other marketing material describing your company's services. Panels are then rotated periodically among several buildings, ensuring panels receive a fresh audience.

Please contact **your account manager** in the Cummings Center leasing office for more information on reserving space for several units at no charge. For help with producing an attractive, professional display, contact one of the firms listed below (*be sure to specify Cummings size panels*).

** Please note display panels must receive approval from Cummings Center's leasing office before fabrication.*
