Cummings Properties is offering you the opportunity to directly support your nonprofit through our referral program.

- If you know someone with a commercial real estate need, simply share your referral's name and contact information with Cummings Properties president Eric Anderson by June 30, 2024.
- ***If your referral signs a lease with Cummings within 12 months, your nonprofit will receive the equivalent of half of the first year's rent as an additional donation, to be paid on the referral's first leasing anniversary, provided it remains a client in good standing.***

For example:

Refer a 5,000 SF lease with a rate of \$20/SF = \$100,000/ year

Earn \$50,000

- This program applies to any type of space, including office, warehouse, manufacturing, R&D, laboratory, medical, retail, flex, etc.
