Supports Our Nonprofit!

We were thrilled to receive a **\$100K for 100** grant from Cummings Foundation. Now, Cummings Properties is offering you the opportunity to directly support our nonprofit through a new referral program available through December 30, 2018:

- If you know someone with a commercial real estate need, simply share your referral's name and contact information with Cummings using the online form at www.cummings.com/supportmycharity by December 30, 2018.
- **If your referral signs a lease with Cummings within 12 months, our nonprofit will receive \$1 for every square foot leased.** The minimum donation is \$1,000, so if your referral leases 700 square feet, we still receive \$1,000!
- Program applies to all office, warehouse, manufacturing, R&D, laboratory, medical, and retail space.
